

Telescopic pole

telescopic pole Ref.: DT 200

Pole can be used with:
- anchor hooks,
- rope installators
- acoustic sensors and other
compatible with head UDI devices.

TECHNICAL DATAS DT 200:

Pole length: 8 m
Working reach: 9,50 m
Working reach with additional
lengthening section DT 900: 10,50 m
Weight: 4,17 kg
Max. length: 7,95 m
Min. length: 1,95 m
Admissible load of the pole head: 5 kg
Voltage rating: 30 kV
